

DON'T SHOOT THE MESSENGER!

This is an exercise which is designed to help teams or groups of people who work together. The Flip a Type Tip resource is used to generate tips which participants can use to help give more constructive feedback to each other.

This exercise is designed for management, or for leadership workshops for managers of people. It also works well with teams where the level of trust is high enough to allow peers to give honest and open feedback on each others' performance.

Applications:

Giving feedback

Managing people

Leadership

Type preferences studied:

Thinking and Feeling (T/F)

Time required:

45 minutes
