

# WHAT'S YOUR MBTI TYPE PLANT?

Hyssop

**ISTJ**

Dependable, resilient,  
many practical uses

Poppy

**ISFJ**

Traditional, loyal and  
thoughtful of others

Passion flower

**INFJ**

Spreads out, provides  
support, makes room  
for growth

Aloe Vera

**INTJ**

Unique and rare  
properties, doesn't need  
endless attention

Cactus

**ISTP**

Adaptable, independent,  
wide-reaching roots

Lavender

**ISFP**

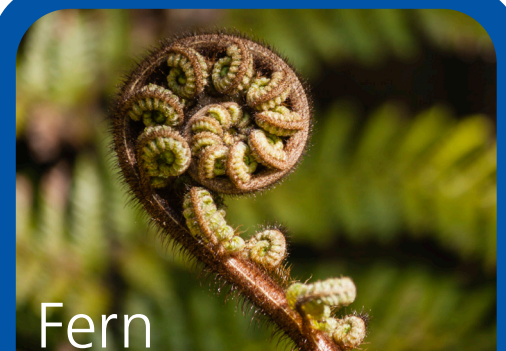

Gentle, calming, enjoys  
warm environments

Water lily

**INFP**

Peaceful, floating but  
anchored by deep roots

Fern

**INTP**

Highly complex structure,  
not always visible until  
given the space to unfold

Heather

**ESTP**

Hardy, happy on terrain  
others can't handle

Dahlia

**ESFP**

Vibrant, fun and full  
of colour

Strelitzia

**ENFP**

Unusual, surprising,  
master of the  
unexpected

Orchid

**ENTP**

A little exotic and  
detached, sometimes  
odd, always striking

Sunflower

**ESTJ**

Practical, multiple uses,  
assertive presence

Daisy

**ESFJ**

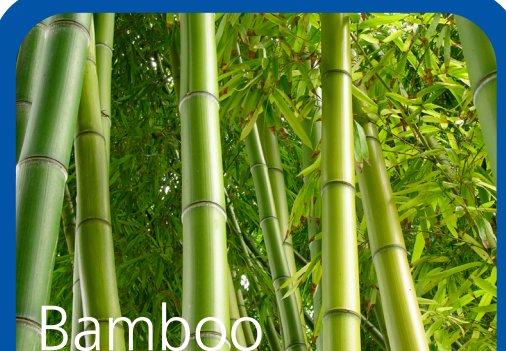

Intricate, responds to  
warmth, mixes easily  
with others

Rose

**ENFJ**

Thrives in warmth  
and brightness,  
companionable

Bamboo

**ENTJ**

Aspiring, clear  
framework for growth,  
thrives in quality ground
