

Become an **MBTI® Step II™**
Certified Practitioner
at your own pace, online.

Self-Guided MBTI® Step II™ Certification Program

Already certified for the MBTI® Step I™ assessment and looking to book MBTI® Step II™ certification?

There's a new, convenient solution for you. The self-guided MBTI Step II Certification Program allows you to get certified from the comfort of your office or home without the hassle of travel and on whatever schedule suits you best.

Consider this program if you'd prefer:

Self-paced study

Manage your learning on your own timeline. You have up to 90 days after purchase to complete the program.

Interactive online learning

Learn through a rich and engaging mix of content specially designed for online instruction: text, video, audio, activities, and more.

Flexible start dates

There's no need to plan around available program dates. Start your certification whenever you're ready and get access to the program within 48 hours of registration.

Who should consider the self-guided MBTI® Step II Certification Program?

Anyone previously certified for the MBTI Step I assessment and interested in learning to apply deeper MBTI insights to key development areas like:

- Team development
- Leadership development
- Communication
- Conflict management
- Decision-making
- Change management
- Coaching

What's included?

The program comprises 6 online learning modules and a practice feedback learning assignment.

It is designed to help you learn the essential knowledge and skills you need to purchase and apply the MBTI Step II assessment ethically and competently with individuals, teams, and groups.

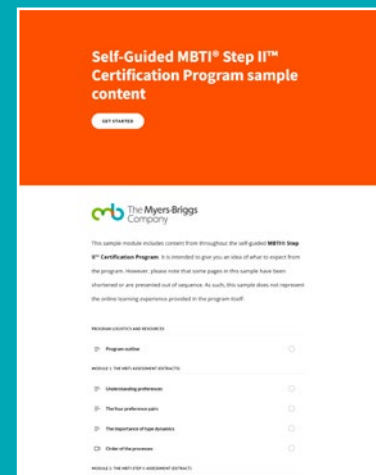

Total learning time is approximately 12 to 14 hours, but you can break up the learning into more manageable pieces to fit your schedule.

- 6 self-paced online modules with a mix of text, audio and video, interactive activities, and knowledge check quizzes
- 1 offline learning assignment and certification exam
- All digital participant materials
- Free practitioner tools and MBTI report to get you started post-certification
- Up to 90 days to complete the program after purchase

Price: £1,095*

*Prices may vary without prior notice. Please check our website for current prices, or contact Customer Support.

Praise for the MBTI® Step II™ Certification program

“...building on the [MBTI] Step I and being able to delve deeper in understanding the facts was enlightening. I look forward to putting this into practice in our organization, to the benefit of both individuals and teams. I feel that the MBTI Step I and II will support our own agenda around the importance of building healthy working relationships.
